Grant No. DV-19644-10-55-5-12

Dear Ms. Lorenzo:

Your Jobs for Veterans' State Grant funding application for the grant period ending September 30, 2013, is approved subject to the terms found in this grant modification letter. Funds for Fiscal Year (FY) 2013 operations for the period October 1, 2012, through September 30, 2013, have been approved for obligation through December 31, 2013 in the amount of \$10,117,000, which includes all incremental funding previously provided this FY through Continuing Resolutions.

This amount includes \$5,068,000 for the operation of the Disabled Veterans' Outreach Program (DVOP), and \$5,027,000 for the operation of the Local Veterans' Employment Representative (LVER) Program, and \$22,000 has been authorized to conduct the number of Transition Assistance Program (TAP) Employment Workshops indicated in your plan. Use of one percent of funds for postage is included in the LVER funding amount above with no additional accounting or reporting requirements. Per your request, LVER funds include one-percent, \$114,000, of the total formula allocation earmarked for staff or office performance awards and incentives.

Total funding for your FY 2013 Jobs for Veterans State Grant is \$10,117,000. Mid-year adjustments and resource reallocations may occur depending upon spending patterns. The Regional Administrator for Veterans' Employment and Training for your region, will authorize the use of funds through the issuance of a Notice of Obligation Authority (NOA) on a quarterly basis. Since you may only drawdown funds from the Health and Human Services' Payment Management System (HHS/PMS) in thousands of dollars, the amounts provided will be rounded to the nearest thousand for DVOP and for LVER.

You may contact the Director for Veterans' Employment and Training in your State if you wish to discuss the administration and conduct of the grant.

Sincerely,

BRENDA J. WHITE
