**Workforce Innovation and Opportunity Act (WIOA) PROGRAM
ANNUAL FUNDING AGREEMENT**

**(Including Mod 0, Initial Notice of Awards)
PY 2015 / FY 2016**

CFDA #17.258 WIA ADULT PROGRAM
CFDA #17.259 WIA YOUTH ACTIVITIES
CFDA #17.278 WIA DISLOCATED WORKERS

1. **Grant Funds:** This grant agreement applies to funds appropriated for Program Year (PY) 2015 for WIOA Title I State formula-funded Youth, Adult and Dislocated Worker programs. Thus, it includes the Fiscal Year 2016 Advance funds to be appropriated for PY 2015.
2. **Applicable Authority:** Funds provided under this grant agreement must be expended in accordance with all applicable federal statutes, regulations and guidance, including those of the Workforce Innovation and Opportunity Act as presently in effect and as may become effective during the terms of this Agreement.
3. **Administration Limitation:** States receiving formula WIOA funds are limited to spending no more than 5 percent of their annual allotment on administrative costs. Local areas are limited to spending no more than 10 percent of their annual allocation on administrative costs. Flexibility is provided to States and local areas in the statute by allowing administrative funds from the three formula funding streams awarded under subtitle B to be pooled and used together for administrative costs for any of the three programs, at the State and locals' discretion.
4. **Grant Period:** This period of availability of funds is effective April 1, 2015 for Youth funds (July 1, 2015 for Adult and Dislocated Worker funds) through June 30, 2018.
5. **Notice of Award:** Funds shall be obligated and allocated via a Notice of Award (NOA) grant modification. Obligations and costs may not exceed the amount obligated by the NOA modification unless otherwise modified by the Grantor. Upon execution of this agreement, the "Modification 0" supplement to the agreement will serve as the initial PY 2015, Notice of Award. Funds are obligated for the amount indicated in the "Modification 0" document in accordance with the Grantee's PY 2015 allotment levels. The Federal obligation level will be amended by the Grant Officer to increase (or adjust) amounts available to the Grantee as funds become available for obligation and additional Notice of Award grant modifications are required and issued.

6. Electronic Fund Transfers: Cash payments shall be made to the Grantee under the Department of Health and Human Services (HHS) Payment Management System (PMS).

7. Veteran's Priority Provisions: The Jobs for Veterans Act (Public Law 107-288) requires recipients to provide priority of service to veterans and spouses of certain veterans for the receipt of employment, training, and placement services in any job training program directly funded, in whole or in part, by DOL. The regulations implementing this priority of service can be found at 20 CFR part 1010. In circumstances where a grant recipient must choose between two qualified candidates for a service, one of whom is a veteran or eligible spouse, the veterans priority of service provisions require that the grant recipient give the veteran or eligible spouse priority of service by first providing him or her that service. To obtain priority of service, a veteran or spouse must meet the program's eligibility requirements. Recipients must comply with DOL guidance on veterans' priority. ETA's Training and Employment Guidance Letter (TEGL) No. 10-09 (issued November 10, 2009) provides guidance on implementing priority of service for veterans and eligible spouses in all qualified job training programs funded in whole or in part by DOL. TEGL No. 10-09 is available at http://wdr.doleta.gov/directives/corr_doc.cfm?DOCN=2816.

8. Salary and Bonus Limitations: Under Public Law 113-235, Section 105, none of the funds appropriated under the heading "Employment and Training" shall be used by a recipient or sub-recipient of such funds to pay the salary and bonuses of an individual, either as direct costs or indirect costs, at a rate in excess of Executive Level II. The Executive Level II salary may change yearly and is located on the OPM.gov website (<http://www.opm.gov/policy-data-oversight/pay-leave/salaries-wages/2015/executive-senior-level>). The salary and bonus limitation does not apply to contractors providing goods and services as defined in 2 CFR 200.330. Where States are recipients of such funds, States may establish a lower limit for salaries and bonuses of those receiving salaries and bonuses from subrecipients of such funds, taking into account factors including the relative cost-of-living in the State, the compensation levels for comparable State or local government employees, and the size of the organizations that administer Federal programs involved including Employment and Training Administration programs. See Training and Employment Guidance Letter No. 5-06 for further clarification, available at http://wdr.doleta.gov/directives/corr_doc.cfm?DOCN=2262

9. Intellectual Property Rights: The Federal Government reserves a paid-up, nonexclusive and irrevocable license to reproduce, publish or otherwise use, and to authorize others to use for federal purposes: i) the copyright in all products developed under the grant, including a subgrant or contract under the grant or subgrant; and ii) any rights of copyright to which the grantee, subgrantee or a contractor purchases ownership under an award (including but not limited to curricula, training models, technical assistance products, and any related materials). Such uses include, but are not limited to, the right to modify and distribute such products worldwide by any means, electronically or otherwise. Federal funds may not be used to pay any royalty or license fee for use of a

copyrighted work, or the cost of acquiring by purchase a copyright in a work, where the Department has a license or rights of free use in such work. If revenues are generated through selling products developed with grant funds, including intellectual property, these revenues are program income. Program income is added to the grant and must be expended for allowable grant activities. If applicable, the following needs to be on all products developed in whole or in part with grant funds:

“This workforce product was funded by a grant awarded by the U.S. Department of Labor’s Employment and Training Administration. The product was created by the grantee and does not necessarily reflect the official position of the U.S. Department of Labor. The Department of Labor makes no guarantees, warranties, or assurances of any kind, express or implied, with respect to such information, including any information on linked sites and including, but not limited to, accuracy of the information or its completeness, timeliness, usefulness, adequacy, continued availability, or ownership. This product is copyrighted by the institution that created it. Internal use by an organization and/or personal use by an individual for non-commercial purposes is permissible. All other uses require the prior authorization of the copyright owner.”

10. **Transparency Act:** Federal Funding Accountability and Transparency Act of 2006 Pub. L. 109-282 as amended by section 6202 of Pub. L. 110-252 (“FFATA”). Grantees must ensure that they have the necessary processes and systems in place to comply with the reporting requirements of FFATA. See Training and Employment Guidance Letter (TEGL) No. 11-10 (issued November 15, 2010) <http://wdr.doleta.gov/directives/attach/TEGL/TEGL11-10acc.pdf>

Recipients must meet the requirements in Training and Employment Guidance letter (TEGL 39-11, Guidance on the Handling and Protection of Personally Identifiable Information (PII)), (located at http://wdr.doleta.gov/directives/corr_doc.cfm?DOCN=7872).
