**SUBJECT:** Revised Wagner-Peyser (W-P) Migrant Seasonal Farmworker Registration and Agricultural Employer Services Procedures Final Guidance

The Final Guidance “DEO FG 03-040: Wagner-Peyser (W-P) Migrant Seasonal Farmworker Registration and Agricultural Employer Services Procedures” has been revised to reflect the following changes:

- The change in the definition of the term “Quality Contact” from a contact with a MSFW where a “reportable **support** service is provided and documented with the MSFW’s name and social security number” to “reportable **staff assisted** service is provided and documented with the MSFW’s name and social security number.”
- Updating references from “AWI” to “DEO”
- Updating MSFW monthly report forms
- Updating hyperlinks

The revised Guidance is being issued as a Consultation Paper with a review period of two weeks. Please provide any comments or feedback to Marisela Ruiz at [Marisela.Ruiz@deo.myflorida.com](mailto:Marisela.Ruiz@deo.myflorida.com) by August 13, 2012.
