AWI Communiqué

DATE: September 12, 2007

TO: Workforce Florida, Inc. and Regional Workforce Boards (RWBs)

FROM:  J. Wyatt Pope, Director of Workforce Program Support

SUBJECT: Human Services Transportation Coordination

PURPOSE:

To provide a Training and Employment Notice (TEN) regarding a recently released policy from the Interagency Council on Access and Mobility and to identify how the workforce investment system can link to a newly devised coordinated human services transportation planning process.

BACKGROUND:

The interagency transportation Coordinating Council on Access and Mobility (CCAM) was established in February of 2004 to reduce duplication among federally-funded human service transportation access for persons who are older, have disabilities, are low-income, children, and other disadvantaged populations.

In October, 2005, the CCAM adopted two policies to achieve additional coordinated planning and transportation service delivery which includes local coordinated human service transportation planning process and vehicle resource sharing.

ACTION REQUIRED:

Please review the TEN. Regional Workforce Boards are encouraged to provide this information to service providers, workforce partners, and interested parties.

AUTHORITY:

United States Department of Labor, Employment and training Administration
