AWI Communiqué

DATE: January 9, 2008

TO: Workforce Florida, Inc. and Regional Workforce Boards (RWBs)

FROM: Lois A. Scott, Program Manager, One-Stop and Program Support 

SUBJECT: Using Technology-Based Learning in the Workforce Investment System

PURPOSE:

To encourage the use of technology-based learning (TBL), commonly known as e-learning, in order to increase access to learning opportunities for workforce investment system customers within existing statutory and regulatory flexibility of various Employment and Training Administration (ETA) programs.

BACKGROUND:

The use of TBL methods has increased in recent years due to the proliferation of computer connectivity and high speed Internet access. Some states and local workforce investment areas have embraced the use of TBL, which can be inexpensive and conveniently mobile, and have incorporated it into their training delivery options.

AUTHORITY:

United States Department of Labor

ACTION REQUIRED:

Regional Workforce Boards are encouraged to provide this information to service providers, workforce partners, and interested parties.
