

MEMORANDUM

Date: October 17, 2014

To: Select Regional Workforce Board Directors*

From: Lois A. Scott, Chief, Bureau of One-Stop and Program Support

Subject: Annual Performance Report as a One-Stop Operator or Direct Provider of Workforce Services

This is a reminder that your designation as a one-stop operator or direct provider of workforce services requires that a performance report be submitted at the end of each program year that the service has been provided. As required by final guidance OSPS-83 these reports were due on October 15th. The report should contain the following:

1. An analysis of the actual cost savings realized as a result of the RWB providing the workforce service.
2. A description of any realized improvement to the local service delivery system and in performance outcomes.
3. A description of any "best practices" that could be shared with other RWBs.

Please send your report to Amanda.Armetta@deo.myflorida.com by November 10, 2014. Our office will compile an overall report to CareerSource Florida.

If you have further questions, please contact Amanda Armetta.
