Dear Secretary Eagle:

The Joint Legislative Auditing Committee (Committee) met on December 2, 2021, and discussed local governmental entities that have not complied with the reporting requirements set forth in Sections 218.39(1) and 218.32(1)(a), *Florida Statutes*. In accordance with the provisions of Sections 11.45(7)(a) and 218.32(1)(f), *Florida Statutes*, the Committee adopted a motion to take action pursuant to Section 11.40(2), *Florida Statutes*, for certain special districts if they did not file the required financial reports by specified due dates.

Section 11.40(2), *Florida Statutes*, provides, in part, that, if the Committee determines one or more local governmental entities should be subjected to further state action, the Committee shall:

- In the case of a special district, notify the Department of Economic Opportunity that the special district has failed to comply with the law. Upon receipt of notification, the Department of Economic Opportunity shall proceed pursuant to the provisions specified in Section 189.062 or Section 189.067, *Florida Statutes*.

The **Tarawood Special Dependent Tax District** was required to submit the FY 2019-20 Annual Financial Report and the FY 2019-20 Annual Financial Audit Report, if audit threshold met, as required by Sections 218.32 and 218.39, *Florida Statutes*, respectively, by December 6, 2021. Because these financial report(s) have not yet been submitted, the Committee has determined that further state action should occur. Accordingly, the Committee requests that the Department of Economic Opportunity proceed pursuant to the provisions specified in Section 189.062 or Section 189.067(3), *Florida Statutes*.

If you have any questions, please do not hesitate to call me at 487-4110.

Sincerely,
