### Public Infrastructure Grant Eligibility

Pursuant to section 228.101, F.S., the Florida Job Growth Grant Fund was created to promote economic opportunity by improving public infrastructure and enhancing workforce training. Eligible entities that wish to access this grant fund must submit public infrastructure proposals that:

- Promote economic recovery in specific regions of the state, economic diversification or economic enhancement in a targeted industry ([View Florida's Targeted Industries here](#)).
- Are not for the exclusive benefit of any single company, corporation or business entity.
- Are for infrastructure that is owned by the public and is for public use or predominately benefits the public.

**1. Program Requirements:**

(If additional space is needed, attach a word document with your entire answer.)

Each proposal must include the following information describing how the project satisfies eligibility requirements listed on page 1.

- A.** Provide a detailed description of the public infrastructure improvements.

See attached - 1.A

- B.** Provide location of public infrastructure, including physical address and county of project.

This project is a city-wide effort to provide centralized water and sewer to residents and commercial business. The City of Oak Hill is located within Volusia County.

- C.** Is this infrastructure currently owned by the public?  Yes  No

If no, is there a current option to purchase or right of way provided to the County?

This infrastructure is not yet built, but will be owned by the public once the project is constructed.

- D.** Provide current property owner.

The property is owned by the City of Oak Hill.

- E.** Is this infrastructure for public use or does it predominately benefit the public?

Yes  No

The infrastructure is for public use and benefits the public by providing direct access to centralized water and sewer service for residents, schools, and businesses.

- F.** Will the public infrastructure improvements be for the exclusive benefit of any single company, corporation or business entity?

Yes  No

N/A

**G.** Provide a detailed description of, and quantitative evidence demonstrating, how the proposed public infrastructure project will promote:

- Economic recovery in specific regions of the state;
- Economic diversification; or
- Economic enhancement of a Targeted Industry ([View Florida's Targeted Industries here](#)).
  - Describe how the project will promote specific job growth. Include the number of jobs that will be retained or created, and in which industry(ies) the new net jobs will be created using the North American Industry Classification System ([NAICS](#)) codes. Where applicable, you may list specific businesses that will retain or create jobs or make capital investment.
  - Provide a detailed explanation of how the public infrastructure improvements will connect to a broader economic development vision for the community and benefit additional current or future businesses.
