**Workforce Training Grant Eligibility**

Pursuant to 288.101, F.S., The Florida Job Growth Grant Fund was created to promote economic opportunity by improving public infrastructure and enhancing workforce training. This includes workforce training grants to support programs offered at state colleges and state technical centers.

Eligible entities must submit proposals that:

- Support programs and associated equipment at state colleges and state technical centers.
- Provide participants with transferable and sustainable workforce skills applicable to more than a single employer.
- Are offered to the public.
- Are based on criteria established by the state colleges and state technical centers.
- Prohibit the exclusion of applicants who are unemployed or underemployed.
1. Program Requirements:

Each proposal must include the following information describing how the program satisfies the eligibility requirements listed on page 1.

A. Provide the title and a detailed description of the proposed workforce training.
   If additional space is needed, attach a word document with your entire answer.

B. Describe how this proposal supports programs at state colleges or state technical centers.
   This program will support our existing machinist program.

C. Describe how this proposal provides participants transferable, sustainable workforce skills applicable to more than a single employer.
   Orlando is the 5th largest manufacturing city in the United States. It has a wide base on manufacturing that includes, but not limited to the following industries: medical, aerospace, theme park and convention businesses.

D. Does this proposal support a program(s) that is offered to the public?
   □ Yes   □ No

E. Describe how this proposal is based on criteria established by the state colleges and state technical centers.
   This program has a current Florida Department of Education (FLDOE) framework. The FLDOE program number is J200100.

F. Does this proposal support a program(s) that will not exclude unemployed or underemployed individuals?
   □ Yes   □ No
G. Describe how this proposal will promote economic opportunity by enhancing workforce training. Please include the number of jobs anticipated to be created from the proposed training. Further, please include the economic impact on the community, region, or state and the associated metrics used to measure the success of the proposed training.

This program will help support the workforce shortfall at the local, State and national levels as defined by the Bureau or Labor and Statistics. We can produce ~ 30 graduates every 12-13 months. The program performance measurements will be program completion and job placements. We will use a 70% threshold in each of these categories.

2. Additional Information:

A. Is this an expansion of an existing training program?  ☑ Yes  ☐ No

If yes, please provide an explanation for how the funds from this grant will be used to enhance the existing program.

We will use these funds to bring on additional staff to better prepare students.

B. Does the proposal align with Florida’s Targeted Industries? (View Florida’s Targeted Industries here.)  

☑ Yes  ☐ No

If yes, please indicate the targeted industries with which the proposal aligns.

If no, with which industries does the proposal align?
