	For each additional person in a family above eight, add \$5,769 per person in the Metro areas.	For each additional person in a family above eight, add \$5,599 per person in the Non-Metro areas.	For each additional person in a family above eight, add \$8,241 per person in the Metro areas.	For each additional person in a family above eight, add \$7,999 per person in the Non-Metro areas.

All Local Workforce Development Boards (LWDBs), except LWDB 3, are considered Metro and use the Metro LLSIL figures. LWDB 3 is considered Non-Metro and uses the Non-Metro LLSIL figures.

The 100 percent table for the LLSIL may be modified to calculate any locally determined values for prioritizing service or eligibility (i.e. 200 percent of LLSIL would multiply the 100 percent value times two for the appropriate family size).
