To successfully market a destination as diverse and expansive as the Sunshine State requires the dedication and commitment of a host of resources. In order to fulfill our mission of establishing Florida as the No. 1 travel destination in the world, VISIT FLORIDA endeavors to serve as a catalyst for maximizing the impact of the Florida tourism industry’s efforts to promote the state to potential visitors in the U.S. and around the globe.

As you review this online annual report, you will find a wealth of information about the programs and partnerships VISIT FLORIDA created or enhanced this past fiscal year. We hope you enjoy sharing in the accomplishments that VISIT FLORIDA achieved in 2012-2013 because none of them would be possible without the involvement of Florida’s residents and fans, the employees in the Florida tourism industry and all our other partners and supporters.
VISIT FLORIDA’s Mission, Vision, Values & Purpose

VISIT FLORIDA’s Strategic Goals

For the 2012-2013 fiscal year, five Strategic Goals were identified which informed all of VISIT FLORIDA’s marketing goals and efforts over the past year.

1. Provide leadership to ensure the Florida tourism industry is competitive and sustainable

2. Become the trusted source of travel information that informs and inspires travel to and within Florida

3. Protect and grow Florida’s share of destination travel through integrated sales and marketing programs that drive visitation to and within Florida

4. Leverage VISIT FLORIDA resources through cooperative marketing programs that create and add value for Partners within and outside the Florida tourism industry

5. Put all VISIT FLORIDA resources to their highest and most productive uses to maximize operating efficiencies and the impact of all organizational efforts

The information in the four links above provide key examples of the ways in which VISIT FLORIDA implemented these Strategic Goals and the following Marketing Principles to achieve the overall priorities set forth for the 2012-2013 fiscal year.
VISIT FLORIDA’s Marketing Principles

VISIT FLORIDA’s vision – to establish Florida as the No. 1 travel destination in the world – is ambitious, but achievable. To succeed, VISIT FLORIDA must build a strategic marketing platform that aligns the collective interests of the Florida tourism industry and provides integrated marketing opportunities for the industry to leverage.

In order to ensure that VISIT FLORIDA is maximizing the impact of its marketing resources (money, time and relationships), the organization has adopted a set of Marketing Principles that drove all strategic thinking for this fiscal year and beyond. While each principle has value on its own merit, the greatest value for VISIT FLORIDA is in executing these principles consistently and in concert with one another.

1. **Create Value & Add Value** – First and foremost, every VISIT FLORIDA program or initiative must create value and add value for travelers and for Industry Partners. If the industry can produce a program at the same cost and with the same impact, then there is no reason for VISIT FLORIDA to invest resources in the program. VISIT FLORIDA programs must provide the Florida tourism industry a strategic advantage and must inspire consumers with valuable information or a valuable service.

2. **Everything Is Co-opable** – At its core, VISIT FLORIDA is a cooperative marketing company. Since 1996, Industry Partners have invested more than $1.04 billion in VISIT FLORIDA co-op marketing programs. Florida tourism Industry Partners have the opportunity to leverage VISIT FLORIDA’s investment in marketing programs to maximize the impact of their individual resources.

3. **With Scarcity Comes Clarity** – Given a choice, every marketer would prefer to have more resources to implement marketing programs. VISIT FLORIDA must prioritize its time, energy and budget to optimize the organization and maximize the impact of our efforts by focusing only on programs that create and add value for travelers and Industry Partners.

4. **Something for Everyone** – There is a tendency in membership organizations to stick to the “Fairness Doctrine,” build programs to the lowest common denominator and provide the same benefits to all members in all cases. The result is often a marketing structure that tends toward mediocrity. VISIT FLORIDA represents an industry that is remarkable in its breadth and diversity and a “one size fits all” approach simply will not work. VISIT FLORIDA has made a strategic decision to strive to provide valuable programs for all Partners, while recognizing and communicating that not all programs will be a good fit for every Partner.

5. **Quality vs. Quantity** – Size matters, but impact matters more. The impact of a promotion on consumer behavior is more important than the number of people that promotion reaches. It is important to consider how many incremental visitors to Florida were influenced in their decision making by any given press release, promotion, advertisement or sales effort.
VISIT FLORIDA’s Marketing Principles continued

6. **If It’s Worth Doing, It’s Worth Doing Right** – While wise financial stewardship is critical in all that we do, VISIT FLORIDA will not sacrifice quality to save money; nor will we initiate a new program or continue with an existing program without dedicating the resources necessary to make the program a success. VISIT FLORIDA will protect our brand promise and will commit to do it right or not do it at all.

7. **Content Is Core** – Regardless of whether stories are told in advertising, on VISITFLORIDA.com, social media or any other traditional or digital media, stories that inspire travel to Florida are core to VISIT FLORIDA’s marketing efforts. VISIT FLORIDA is committed to creating, curating and distributing compelling articles, photographs and videos that tell the Florida travel story.

8. **Innovation** – VISIT FLORIDA is committed to building a culture that encourages staff and Partners to create more effective products, services and technologies to give Florida a competitive advantage in the global travel and tourism industry.

9. **Best in Class Partnerships** – Just as the Florida tourism industry expects VISIT FLORIDA to create and add value to their independent marketing efforts, VISIT FLORIDA expects our Partners to create and add value to our internal efforts. As a result, VISIT FLORIDA has assembled a first-class team of marketing partners to help us do our job better. These advertising, public relations, internet development and publishing partners bring substantial resources and expertise to execute strategic marketing plans. Working with partners, VISIT FLORIDA is able to implement strategic co-op marketing that significantly leverages our budget and provides Partners with access to programs on a scale not otherwise possible.
Providing Leadership

As the official tourism marketing corporation for the state, VISIT FLORIDA is committed to providing leadership to ensure that Florida's tourism industry remains competitive and sustainable. To accomplish this, it is important for VISIT FLORIDA to position itself as a thought leader and valuable resource to key Florida tourism stakeholders.

Expanding and increasing industry engagement is a key component for providing leadership. Buy-in and participation from Florida tourism businesses and industry leaders are essential for the success of VISIT FLORIDA's marketing objectives. In order to better educate and engage Florida's tourism industry, VISIT FLORIDA hosted two key events in 2012-2013.

Held in September, the 45th Annual Florida Governor's Conference on Tourism offered the opportunity for more than 800 members of the travel industry from across the state to learn the latest in marketing strategies, obtain critical research data, share best practices and receive powerful hands-on marketing solutions for destination marketing challenges. Against the backdrop of increasing international competition and technological advancements, 177 Florida tourism industry leaders met at the annual VISIT FLORIDA Marketing Retreat in December to begin set the course for VISIT FLORIDA's 2013-2014 Marketing Plan. During this two-day event, members of VISIT FLORIDA's Board of Directors and Marketing Committees, as well as key staff and agency partners, discussed the upcoming year’s strategic and budgetary planning process and provided valuable input on “The Road Ahead.”

Another way VISIT FLORIDA serves as a thought leader and valuable resource to the industry is through the production of its "Log-In & Learn" educational webinar program. This effort is designed to provide Florida tourism businesses with access to industry trends and marketing expertise, as well as resources to assist in maximizing their partnership with VISIT FLORIDA. During the 2012-2013 fiscal year, the Industry Relations team conducted 12 webinars attracting nearly 1,000 participants. Topics for the program are selected based on suggestions from VISIT FLORIDA staff, as well as input from tourism business Partners and information requests that come through our Industry Hotline. The webinars, which are free of charge, are recorded and archived in our Learning Library.
## Providing Leadership continued

Through a leadership role in the Partnership for Florida’s Tourism, VISIT FLORIDA joins with the Florida Association of Destination Marketing Organizations, the Florida Association of RV Parks & Campgrounds, the Florida Attractions Association and the Florida Restaurant & Lodging Association to engage with Florida legislators on issues pertaining to Florida travel and tourism. In March, VISIT FLORIDA helped organize the 2013 Florida Tourism Day at the Capitol, where a record 313 industry representatives from 39 counties traveled to Tallahassee to meet with more than 80 legislators and government leaders about the importance of Florida’s tourism industry and the rationale for public funding.

To share the Florida tourism message with meeting and incentive travel professionals, VISIT FLORIDA hosts Florida Encounter – our premier appointment-based tradeshow showcasing Florida destinations. For the December 2013 event, now in its 32nd year, VISIT FLORIDA has planned a revamped and revitalized show that will feature the addition of sports planners to the list of attendees and will offer a new series of educational sessions.

In 2013, VISIT FLORIDA announced the acquisition of Florida Huddle. The event, which has been operating for 37 years, is the longest running travel trade show in Florida where suppliers from around the state meet directly with domestic and international buyers of travel and travel media. Relationship building events that allow buyers and suppliers to have pre-arranged face-to-face appointments are a vital component of the Florida tourism industry’s marketing efforts. The acquisition of Florida Huddle provides an opportunity for VISIT FLORIDA to add value for our Partners and offer first-hand information to travel trade professionals from around the globe.

In order to assist world-wide travel agents with boosting their knowledge of the Florida product, VISIT FLORIDA partners with Worth International Media Group and Recommend magazine to host the Florida Specialist Program. Through the study of course materials and the successful completion of a test in two topic areas – General Florida and Florida Weddings – travel agents are qualified to be placed on our website as an official “Florida Specialist.” The two courses in the Florida Specialist Program are the only ones in North America being featured on the Recommend Education website – one of the travel trade’s leading brands.

VISIT FLORIDA will continue to refine our marketing opportunities and programs, expand and increase industry engagement and provide valuable leadership to ensure that the best possible marketing strategies are in place to make Florida the No. 1 vacation destination in the world.
Being the Trusted Source

VISIT FLORIDA's commitment to being the trusted source of travel information that informs and inspires travel to and within Florida was significantly enhanced in 2012-2013. Key ways in which VISIT FLORIDA provided strategic thinking and leadership in our marketing efforts this past year included the introduction of numerous programs in the areas of social media and web content. VISIT FLORIDA's traditional advertising and promotions efforts – combined with the special projects outlined below – allowed Florida to achieve a 4.7% increase in visitor numbers in 2012 and an estimated 4.2% increase through the first half of 2013.

VISIT FLORIDA Travel Wire – The Travel Wire was created by VISIT FLORIDA’s Senior Editor as a way to increase the visibility of Florida tourism stories on highly-influential publication websites. Made up of a network of more than 60 veteran journalists, this revolutionary content initiative now includes over 700 stories, videos, photo essays and infographics that have appeared on trusted news sites such as TampaBay.com and Philly.com. Additionally, our content team established a dedicated VISIT FLORIDA travel blog being delivered twice weekly on The Huffington Post online and debuted VISIT FLORIDA, a half-hour show of Spanish-language travel stories reported and produced by VISITFLORIDA.com journalists on InfoMás, Bright House Network’s 24-hour Spanish-language news and information channel.

Florida Insiders – In 2012-2013, two new Florida Insiders were added to our award-winning collection of Sunshine State experts. With such a robust foodie scene in Florida, the existing Dining, Entertainment and Luxury topic was broken up and two dedicated Insiders were established to cover them separately. Also, a second Fishing Insider was added in order to truly do justice to the “Fishing Capital of the World.” These new Insiders are included in a team of 15 experts who interact with our visitors via Facebook, Twitter and dedicated blogs offering their unique and personal connection with travelers around the world.

Hook, Line & Shifter – VISIT FLORIDA’s latest social media awareness campaign, titled Florida’s Hook, Line & Shifter Sweepstakes, was aimed at increasing fall travel to the Sunshine State. VISIT FLORIDA brought together two of our most popular marketing partners – the Dempsey Race Team and the Bass2Billfish television show – to put together a thrill seeker’s chance of a lifetime. Supported by a digital media buy that included display and social media ads, video and audio placements with vendors such as Facebook, Google and the Weather Channel, and – through our partnership with Clear Channel’s iHeartRADIO – an integrated launch across their mobile, digital and social platform of over 4 million fans, Hook, Line & Shifter resulted in more than 1.7 billion impressions.
As the state’s official tourism marketing agency, it is essential for VISIT FLORIDA to provide strategic leadership and information to Florida’s tourism industry and government officials. Partners look to VISIT FLORIDA for assistance in better promoting their individual businesses and destinations in an increasingly competitive global marketplace. In addition, VISIT FLORIDA cultivates an increased level of visibility within state government and continues to be recognized as a vital part of the state’s economic recovery efforts. Below are several initiatives VISIT FLORIDA undertook related to serving our industry and legislative stakeholders in 2012-2013.

**Air Team Florida** – VISIT FLORIDA’s Air Team Florida initiative was designed to bring together Florida tourism destination representatives, airport and airline executives, and key business and industry leaders in order to have a greater impact on the global travel industry. Members of Air Team Florida coordinated a co-branded networking stand at the 18th World Route Development Forum in Abu Dhabi, whose collective branding effort impressed upon the nearly 3,000 attendees from more than 80 countries the state’s economic support and backing for new route development. VISIT FLORIDA’s initiative also included an Airline Grant Program to assist Florida airports and their communities with expanding international air service to the Sunshine State. Air Team Florida capped off the year by coordinating an event in France where Governor Scott and Florida tourism representatives met with a contingent of international airline executives and tour operators to discuss efforts to increase airlift to Florida.

**Partnership with the Florida Chamber Foundation** – VISIT FLORIDA partnered with the Florida Chamber Foundation on the addition of metrics to The Florida Scorecard that now track the impact of Florida’s tourism industry on the state’s economy. The new “Tourism Indicators” tab provides detailed, interactive metrics that gauge the monthly activity of six key indicators within Florida’s top industry and offer insight into the importance of tourism to the Sunshine State’s business community.

**Share a Little Sunshine Partnership with Florida Park Service** – VISIT FLORIDA’s Share a Little Sunshine advocacy platform continued our partnership with the Florida Park Service to encourage our shared fans to invite their friends and family to explore Florida’s 160 state parks. As part of the initiative, VISIT FLORIDA produced and aired statewide PSAs that included Governor and Mrs. Scott, as well as video vignettes for the web highlighting 10 of Florida’s diverse state parks as seen through the eyes of Florida visitors. Partnerships like this one leverage the collective strength of the Florida tourism industry and the Share a Little Sunshine fan base to grow travel to and within the state.
**Being the Trusted Source continued**

**Viva Florida Partnership with Florida Department of State** – As part of the state’s commemoration of the 500th anniversary of the European discovery of Florida in 1513, VISIT FLORIDA continued our partnership with the Florida Department of State to increase awareness and drive visitation. To provide visitors with a broad spectrum of cultural and historical travel information, VISIT FLORIDA developed a website at VISITFLORIDA.com/viva for visitors to explore the Sunshine State’s cultural heritage trails, learn about upcoming Viva Florida events and get travel tips from VISIT FLORIDA’s Viva Florida Insider. In support of Viva Florida 500, VISIT FLORIDA created a campaign offering a multitude of resources and opportunities for the Florida tourism industry to promote their destination’s activities and engage Sunshine State visitors. Those efforts included a “Share Your Florida Story” Facebook timeline, Florida’s 500 Years of Adventure Sweepstakes, PSAs featuring Juan Ponce de León, and helping arrange for El Galeón – a replica of Spanish ships from the 1500s – to visit ports throughout Florida.

**Brand USA Partnership** – After becoming one of only four founding partners of Brand USA when it launched in 2011, VISIT FLORIDA has continued our commitment of dollars and in-kind support of Brand USA’s efforts to grow international travel to the U.S. In September 2012, VISIT FLORIDA’s then-President and CEO Chris Thompson was tapped to head Brand USA as it began a new chapter in the evolution of the organization. VISIT FLORIDA’s strong ties to Brand USA provide tremendous opportunities to create co-op marketing programs that allow Florida’s tourism businesses to advertise on a world stage at a scale not otherwise possible.

Through their interest in partnering with us on these efforts, consumers, the media, the tourism industry, and state and federal officials have proven that they can look to VISIT FLORIDA as a credible and trusted source on Florida travel and tourism issues.
Maximizing Marketshare

VISIT FLORIDA has a responsibility to protect and grow Florida’s share of destination travel and does so through integrated sales and marketing programs that drive visitation to and within Florida. VISIT FLORIDA also recognizes that it is not necessarily the number of people reached that is most important, but rather the overall impact that our marketing initiatives have on consumer behavior.

Strategic, integrated and targeted marketing campaigns are the cornerstone of VISIT FLORIDA’s marketing efforts for maximizing market share. In early 2013, VISIT FLORIDA unveiled our first new brand campaign in three years which sought to capture all the feelings of a Florida vacation in just four words: Must Be the Sunshine. There is nothing more powerful than a personal story being shared directly with others, and so at its core “Must Be the Sunshine” is a storytelling campaign.

The first television commercial of the campaign, which debuted in Detroit during the Grammy Awards, lands the viewer in the afterglow of an epic Florida family vacation. Since February – via TV, cinema, radio and print, as well as jumbotrons, subway station takeovers, commuter train wraps and even an interactive online game – “Must Be the Sunshine” has been reminding people why Florida vacations make great stories.

And the message has inspired some major participants. Several of Florida’s heavyweights – Disney, Universal, SeaWorld and Busch Gardens, along with the Viva Florida 500 initiative, Florida State Parks and many other key tourism businesses – have all partnered together for the first time in the same TV ad. In addition to Detroit, the ads are playing in Atlanta, New York, Chicago, Boston, Washington, D.C., Philadelphia and Dallas on such programs as the Today Show, Good Morning America, American Idol and The Big Bang Theory.

This latest campaign takes over from a highly successful final year of VISIT FLORIDA’s “Your Florida Side” campaign, which generated a record $258 in traveler spending and $15 in new sales tax revenue for every $1 of advertising spend. Results of our annual Return on Investment Influencer Study show that 39% of Florida visitors were significantly influenced in their decision to visit the Sunshine State by one or more of VISIT FLORIDA’s marketing efforts, marking the fourth consecutive year of ROI increases.
Maximizing Marketshare continued

With nearly 1.1 million Floridians employed in the tourism industry, VISIT FLORIDA recognizes the importance of engaging Florida residents in helping boost the state's economy. In 2012-2013, VISIT FLORIDA ramped up our in-state social media advocacy platform, “Share a Little Sunshine,” that encourages Floridians to take an active role in protecting jobs and creating revenue in their communities by sending a personal invitation to friends and family to visit the Sunshine State. This platform was the basis for several of VISIT FLORIDA's successful marketing efforts, including the “Share a Little Sunshine Showdown,” “Emeril's Florida Tailgate Challenge,” and PSAs for Florida’s State Parks and the Viva Florida 500 campaign.

VISIT FLORIDA is proud to have one of the most popular destination marketing organization websites in the country with more than 7.4 million visits in 2012. As the state’s official source for travel planning, drawing visitors to our website is the call-to-action for all domestic and international consumer-facing marketing efforts. Along with providing valuable travel resources and tools to consumers, VISITFLORIDA.com serves as a means for engaging new and repeat visitors to Florida. It also provides an interactive forum for Florida vacationers to share their experience with others, engaging consumers both pre- and post-trip.

VISIT FLORIDA continually upgrades and improves the site to ensure that the most innovative travel planning tools are available to consumers.

The 2012-2013 fiscal year was no exception, with VISIT FLORIDA launching a completely redesigned VISITFLORIDA.com leveraging current technology trends to provide an easily navigable experience for users that celebrates Florida’s rich travel planning opportunities. The new site features:

- A Pinterest-style grid-based layout;
- Consumer-centric navigation with an intuitive user-friendly flow;
- Inspirational travel themes that allow users to customize their search through Buzzfeed-like labeling; and
- A responsive design that lets the site adjust to whatever platform users may choose.

The need to engage consumers is an ongoing challenge highly influenced by outside factors, including technological advances and increased destination competition. VISIT FLORIDA's marketing efforts will continue to evolve with new and innovative methods responsive to the shifts in global travel trends in order to maximize Florida’s market share as a premier vacation destination.
To remain a competitive destination marketing organization, VISIT FLORIDA continues to improve and refine our business practices. These efforts ensure that resources are put to their highest and most productive uses while maximizing operating efficiencies. VISIT FLORIDA also strives to leverage resources through cooperative marketing programs that create and add value for partners within and outside the Florida tourism industry. While wise financial stewardship is critical, VISIT FLORIDA focuses on not sacrificing quality in order to initiate a new program or continue an existing program without dedicating the resources necessary to make the program a success.

VISIT FLORIDA is committed to creating marketing partnerships with firms that match Florida's brand strength and consumer focus. By assembling a team of best-in-class partners, VISIT FLORIDA is able to implement strategic co-op marketing programs that significantly leverage combined budgets and provide tourism businesses with access to promotions on a scale not otherwise possible. Major strategic alliances with Dollar Rent A Car, The Hertz Corporation, SeaWorld Parks & Entertainment, Universal Orlando and Walt Disney World allow VISIT FLORIDA to leverage the resources of these key tourism-related organizations and unite marketing efforts in driving visitation to Florida. In addition, VISIT FLORIDA expanded innovative corporate partnerships with major brands such as Google, Mazda, Clear Channel and iHeartRadio to further extend Florida's brand identity and attract new visitor segments.

In order to maximize the reach of the shared Florida brand, VISIT FLORIDA is committed to exploring co-op arrangements in all of our marketing efforts. The focus on expanding Florida's presence in front of consumers is facilitated by VISIT FLORIDA negotiating cost-effective advertising buys that are then offered to partners through our Co-op Marketing Planner, which includes more than 160 advertising, sales, promotions and public relations options from which to choose. In 2012-2013, VISIT FLORIDA offered new co-op opportunities, including a digital brand awareness program with Google and international marketing efforts through Brand USA.
Leveraging Resources continued

Human resources play a key role in VISIT FLORIDA’s overall success. The leadership team regularly evaluates the organization’s internal structure and implements changes to improve and foster integration between departments while maximizing operational efficiencies. In 2012-2013, new positions, such as a Marketing Director, Deputy Editor, Digital Analyst and Social Marketing Representative, as well as the entire Marketing Solutions & Sales department, were added to ensure the organization remained in step with global marketing trends and was best positioned as the authoritative source for Florida travel content. Last year also marked the ascendancy of former Chief Marketing Officer Will Seccombe to the role of VISIT FLORIDA’s President and CEO, as well as the selection of Paul Phipps as the organization’s new CMO.

VISIT FLORIDA’s success as a destination marketing organization is ultimately dependant on the ability to remain flexible and open to change. By re-evaluating past models and exploring innovative new opportunities, VISIT FLORIDA is strategically positioned to effectively leverage available resources to respond to the ongoing changes in the global marketplace. This forward-thinking approach is what enables VISIT FLORIDA to remain one of the most aggressive and pioneering destination marketing organizations in the world.
On behalf of the tourism industry in the Sunshine State, VISIT FLORIDA was focused on maximizing the impact of our marketing resources to attract visitors to the state during the 2012-2013 fiscal year. From a national campaign that reached millions of potential visitors to the highly personalized answering of individual visitor questions at the Official Florida Welcome Centers, VISIT FLORIDA’s efforts over the past year contributed significantly to making Florida the premier vacation destination for visitors from across the globe. The following “Annual Highlights” showcase just a few of the ways VISIT FLORIDA’s responsiveness and leadership helped grow the Florida brand during the past year.

2012-2013 Financial Overview

Over our 17-year history, VISIT FLORIDA has been a $1.5 billion destination marketing cooperative, matching $474 million in public funding with $1.04 billion of private investment by nearly 12,000 Florida tourism businesses and strategic alliance partners. As a public/private corporation, VISIT FLORIDA adheres to stringent guidelines for the proper stewardship of the public and private funding we receive. Each year, a third-party audit is conducted on VISIT FLORIDA's financial statements and compliance with our state contract. VISIT FLORIDA has received an unqualified opinion every year since our founding in 1996.

Actual Revenue: 2006-2013
(in millions of dollars)
Serving Our Stakeholders

VISIT FLORIDA, the official tourism marketing corporation for the State of Florida, is responsible for serving a wide variety of stakeholders. The audiences that VISIT FLORIDA serves can be divided among three categories: customers, the Florida tourism industry and the State of Florida.

As the state’s official source for travel planning, VISIT FLORIDA implements integrated sales and marketing programs to protect and grow Florida’s share of domestic and international travel. These programs provide opportunities for the Florida tourism industry to reach prospective customers, which include consumers, travel trade professionals and meeting planners. The resources are offered directly to them through various outlets including specialized websites, major conventions and tradeshows, as well as advertising, public relations and promotions.

Through relationships with best-in-class strategic alliance, marketing and media partners, VISIT FLORIDA is able to leverage our budget and develop cooperative marketing programs that create and add value for the Florida tourism industry. VISIT FLORIDA Partners, and the industry as a whole, benefit not only from the promotional marketing opportunities we are able to provide at a significant cost savings, but also through the representation and advocacy we offer at the state and national levels.

VISIT FLORIDA’s ability to successfully market the Florida tourism product and bring in more visitors helps the state of Florida and all our residents by building and growing businesses, creating jobs and providing family-sustaining wages. These efforts to attract more visitors also generate increased tourist spending that provides funding to help build roads, support schools and pay for vital programs.
Serving Our Stakeholders

Customers

VISIT FLORIDA serves our customers by providing resources, information and assistance to a variety of visitor segments.

As the state’s official source for travel planning, VISIT FLORIDA implements a number of marketing and travel planning initiatives targeted at leisure travel consumers. Our newly redesigned VISITFLORIDA.com, the most trafficked destination marketing organization website in the country, serves as a consumer portal inclusive of all aspects of travel planning. Consumer publications, including the VISIT FLORIDA Magazine and the Florida Insider Magazine, as well as a variety of special interest e-newsletters, provide visitors with relevant information on an ongoing basis.

VISIT FLORIDA also operates the state’s five Official Florida Welcome Centers at I-10 near Pensacola, U.S. 231 in Campbellton, I-75 in Jennings, I-95 in Yulee and at the Florida Capitol in Tallahassee.

VISIT FLORIDA markets the destination as a top locale for meetings, conventions and incentive travel, and provides assistance to professional planners at all stages of the process. A dedicated meetings website, Facebook page and Twitter feed, an annual destination trade show known as “Florida Encounter,” and individual planning assistance are all complementary services provided by VISIT FLORIDA to meeting and event professionals. Meeting and convention-specific e-newsletters and updates are also distributed during the year to a growing database of professionals who specialize in these areas.

Travel media provide consumers with an unbiased review of Florida’s tourism products. VISIT FLORIDA serves these media outlets by delivering timely and newsworthy information on destinations throughout Florida, invites travel writers from top publications to experience the state for themselves, and partners with them to offer consumer promotions that attract potential visitors and generate awareness of all there is to see and do in the Sunshine State.

The travel trade industry plays a vital role in bringing visitors to Florida, and VISIT FLORIDA works to actively engage this sector by attending showcases and trade shows across the globe that cater to those who sell travel. By hosting booths, receptions and special events during domestic and international travel trade and consumer shows, VISIT FLORIDA actively works to promote the Florida brand in an increasingly competitive marketplace.

While independently each of these programs is valuable, the collective impact of VISIT FLORIDA’s marketing efforts are highly effective. In 2012-2013, 39% of all Florida visitors said they were significantly influenced in their decision to visit the Sunshine State by one or more of VISIT FLORIDA’s marketing programs.
VISIT FLORIDA serves the Florida tourism industry by providing leadership and resources that contribute to the growth and development of tourism business in the Sunshine State.

When issues arise that affect Florida’s tourism industry, VISIT FLORIDA serves as the main source for distributing information and key messages both to and on behalf of the industry. VISIT FLORIDA works diligently with Partners and state officials to provide the most accurate and up-to-date information in a timely manner to ensure that our destination is positioned correctly to other key stakeholders.

VISIT FLORIDA is also responsible for aiding in the development of tourism products, particularly with under-funded and emerging segments. Annual grants for nature-based, rural and cultural tourism initiatives are awarded each year for projects that will enhance the Florida tourism product within these individual segments.

As an industry-driven organization, VISIT FLORIDA relies on private investments from tourism businesses across the state to aid in the funding of our marketing objectives. By partnering with VISIT FLORIDA, tourism businesses and professionals are connected to a vast network of resources that provide a substantial return on investment. Through strategic alliances forged with companies such as Google, Mazda, Clear Channel and iHeartRADIO, VISIT FLORIDA Partners receive access to a variety of benefits, opportunities and programs that allow them to market themselves more effectively and affordably.
VISIT FLORIDA serves the State of Florida as the contracted direct support organization for the state’s destination and tourism marketing efforts through Enterprise Florida, Inc. Statutorily created by the Florida Legislature in 1996 as “The Official Tourism Marketing Corporation for the State of Florida,” VISIT FLORIDA operates as a public-private partnership.

Each year, the Florida Legislature appropriates public funding to be allocated for tourism marketing. VISIT FLORIDA is required to match those public funds dollar-for-dollar by securing tourism industry investment in our marketing efforts. Since 1996, VISIT FLORIDA has been a $1.5 billion destination marketing cooperative, matching $474 million in public funding with $1.04 billion of private investment by nearly 12,000 Florida tourism businesses and strategic alliance partners.

VISIT FLORIDA is overseen by a 31-member volunteer Board of Directors appointed by Enterprise Florida, Inc. in conjunction with the Florida Department of Economic Opportunity. The Board is comprised of representatives from key sectors of the tourism industry and is balanced geographically throughout the state.

VISIT FLORIDA is ultimately responsible for serving the citizens of Florida through the growth and development of the tourism industry. The public funds provided by Florida taxpayers are reinvested in the state through tourism assets including visitor spending, taxable tourism-related revenue and jobs for Florida residents.

In 2012, Florida welcomed 91.5 million visitors who spent $71.8 billion, generating 23 percent of the state’s sales tax revenue and employing nearly 1.1 million Floridians, making tourism the No. 1 industry in the Sunshine State.
Messages From Leadership

Letter from Governor Rick Scott

Letter from Chair Glenn Hastings

Letter from VISIT FLORIDA President & CEO Will Seccombe
Dear Friends,

I am proud to share that last year marked the second consecutive record year for Florida tourism, having welcomed 91.5 million visitors who spent $71.8 billion. This incredible momentum is a testament to the strength of VISIT FLORIDA and the Florida tourism industry’s innovative efforts to market the Sunshine State. On behalf of the State of Florida, I would like to thank the more than one million Floridians employed in the tourism industry who dedicate themselves to increasing visitation to our state and for the hospitality you provide to our visitors.

As we commemorate the 500th anniversary of Florida’s discovery by European explorers, I am reminded that tourism has long been the state’s leading industry and continues to serve an essential role in the growth and sustainability of our economy. VISIT FLORIDA, acting as the state’s official tourism marketing corporation, is the catalyst that brings the public and private sectors together to create marketing programs that promote the Sunshine State to travelers around the globe. Over its 17-year history, VISIT FLORIDA has been a $1.5 billion destination marketing cooperative, matching $474 million in public funding with $1.04 billion of private investment by nearly 12,000 Florida tourism businesses and strategic alliance partners.

With the Sunshine State’s reputation as a world-renowned meeting and vacation destination well established, VISIT FLORIDA and the Florida tourism industry might be content to rest on their past accomplishments. However, in today’s highly competitive global marketplace, it is more important than ever that VISIT FLORIDA continue to take a leadership role in positioning our state as a top-of-mind destination using cutting-edge marketing strategies that resonate with our visitors.

Building on two consecutive record years, and with your continued support, Florida is well-positioned to achieve the goal of establishing itself as the No.1 travel destination in the world.

Sincerely,

Rick Scott
Governor
Dear Partners and Friends,

I was privileged to serve as the Chair of the VISIT FLORIDA Board of Directors this past year. On their behalf, I am proud to present this 2012-2013 VISIT FLORIDA Annual Report. During the last fiscal year we were able to expand the reach and relevance of the Florida brand through the launch of an array of strategic and innovative projects. These projects included partnering with Emeril Lagasse to host “Emeril’s Florida” on the Cooking Channel, the unveiling of our new Must Be the Sunshine advertising campaign, and the establishment of a dedicated VISIT FLORIDA travel blog on Huffington Post online. The Board also oversaw the selection and transition of VISIT FLORIDA’s new President and CEO, and enjoyed record industry participation on our committees and at the annual Marketing Retreat.

For the tourism industry, VISIT FLORIDA coordinated an event in France with Governor Scott and a contingent of airline executives and tour operators to increase international air lift to Florida, announced our acquisition of Florida Huddle, and created the VISIT FLORIDA Marketing Solutions & Sales department to manage and sell our owned and operated assets in-house. For consumers, VISIT FLORIDA partnered with the Department of State to roll out the Viva Florida 500 campaign celebrating the state’s quincentennial anniversary, unveiled a completely redesigned VISITFLORIDA.com website, and released new elements of the in-state Share a Little Sunshine campaign, including PSAs and web videos that featured Disney and Florida’s State Parks.

The support of the statewide tourism industry is vital to the success of VISIT FLORIDA’s mission and I would like to thank those who have dedicated their time and expertise to further the organization’s goals. From serving on the Board of Directors and committees to participating in VISIT FLORIDA programs, your contributions have had a major impact on the accomplishments of Florida’s tourism industry.

I also extend my appreciation to the hardworking professionals at VISIT FLORIDA for their dedication and leadership. I have witnessed their commitment to excellence first-hand and can attest to the service-focused nature of each and every team member. As I pass the torch to Tammy Gustafson, this year’s Chair of the Board of Directors, I ask that you continue to support VISIT FLORIDA as they strive to make Florida the No. 1 travel destination in the world.

Sincerely,

Glenn Hastings
2012-2013 Chair
VISIT FLORIDA Board of Directors

 Glenn Hastings
Dear Partners and Friends,

The past two years have been marked by big changes and even bigger accomplishments for the Florida tourism industry. We have had two consecutive years of record visitation, 37 consecutive months of job growth, a record 1,087,700 Floridians employed in the tourism industry and are the top vacation destination for domestic visitors, families, beach-goers, Baby Boomers, Millennials and African American leisure travelers.

Much of this success is attributable to the industry’s ability to transform the way we market ourselves to the world. To this end, VISIT FLORIDA is in the midst of a massive re-engineering to maximize the impact of our integrated marketing efforts and to improve the efficiency of the organization. We have launched a new brand campaign, redesigned our website, hired a new agency of record, instituted a new customer relationship management system, added a new accounting system, brought all advertising sales and operations in-house, and created a revolutionary content initiative that has produced over 700 stories, videos, photo essays and infographics. These transformational efforts have not gone unnoticed by the national tourism industry, with VISIT FLORIDA having been named the State Tourism Office of the Year by the Southeast Tourism Society.

The entire Florida tourism industry is grateful to Governor Rick Scott and the Florida Legislature for providing VISIT FLORIDA with a significant increase in public funding over the past two years. This is a clear indication that state leaders recognize the importance of tourism and our industry’s role in strengthening the Florida economy and creating jobs for Floridians. It is also a strong endorsement of the industry-driven nature of our public/private partnership and our collective success in generating a substantial return on the state’s investment in VISIT FLORIDA’s cooperative marketing programs.

It is important to note that while VISIT FLORIDA’s budget has more than doubled, we are operating with fewer employees today than we had on staff four years ago. The result is an organization that is keenly focused on creating and adding value for our tourism industry partners, so that together we can make Florida the No. 1 travel destination in the world.

Thank you for your continued support and for all you do to build the momentum of the Florida tourism industry.

Regards,

J. William Seccombe

VISIT FLORIDA promotes tourism to Florida through advertising, promotions, public relations, sales and visitor services programs.
