## Total Improvement Plan Submissions

Below is a summary of the total number of providers who have submitted their Improvement Plan. Please note that coalitions will only be able to view information for providers within their coalition. Also, note that districts will only be able to view information for public school providers within their district.

By clicking the provider name, you will be able to access a "view only" version of the Improvement Plan for that provider. If you would like this information displayed in an Excel spreadsheet, click on the "Export to Excel" button.
