**TOPIC: “Hot Fix” of EFM changes to support ARRA Scheduled 4/17/2009 after hours**

## **Employ Florida Marketplace (EFM) Update**

Geographic Solutions has completed its design changes to the Employ Florida Marketplace (EFM) that are needed to accommodate changes in the Workforce Investment Act and Wagner-Peyser Programs made by the American Recovery and Reinvestment Act (ARRA). They have advised us that there will be a “Hot Fix” to EFM on Friday April 17, 2009 and a conference call that same day to go over these changes. These changes are needed so regions can immediately begin to record participants served with the new funding provided by the ARRA.

The attached document prepared by Geographic Solutions details the specific changes being made in EFM that will be available on-line beginning April 17, 2009. This information should be shared with the appropriate staff associates within your region that work with EFM.

Thank you.
