
MEMORANDUM

DATE: January 9, 2012

TO: Regional Workforce Board Executive Directors

FROM: Lois A. Scott, Workforce Program Support 

SUBJECT: Revised Job Seeker Registration and Employer Services Guidance

The [Job Seeker Registration and Employer Services](#) guidance has been revised to allow obtained employment credit to be recorded when a customer has received any reportable Wagner-Peyser service(s) within 180 days preceding a job start date. Changes are reflected on page five.

This guidance has been revised to better reflect conditions in our current employment environment, to achieve more consistency with the challenges facing job seekers and to recognize the time required for the unemployed to re-enter the workforce.

Also, the extension to 180 days will capture a higher number of outcomes and document the great work being done at the local level.
