

**Quarterly data is pulled by DCF
40 days after the end of the
quarter**

**The file is
received
from DCF**

**Shannon will prepare the
information for the quarterly
spreadsheet – cases behind the
quarterly participation rates and the
sample cases submitted to HHS**

**The spreadsheets will be posted to
the quarterly report in External
Reports no later than 55 days after
the end of the quarter (contingent
upon receiving data from DCF
timely)**

Sample/Full File – Quarterly Timeline
