Public Infrastructure Grant Eligibility

Pursuant to section 288.101, F.S., the Florida Job Growth Grant Fund was created to promote economic opportunity by improving public infrastructure and enhancing workforce training. Eligible entities that wish to access this grant fund must submit public infrastructure proposals that:

- Promote economic recovery in specific regions of the state, economic diversification or economic enhancement in a targeted industry. ([View Florida's Targeted Industries here.](#))
- Are not for the exclusive benefit of any single company, corporation or business entity.
- Are for infrastructure that is owned by the public and is for public use or predominately benefits the Public.

1. Program Requirements:

(If additional space is needed, attach a word document with your entire answer.)

Each proposal must include the following information describing how the project satisfies eligibility requirements listed on page 1.

A. Provide a detailed description of the public infrastructure improvements.

The project consists of installing a new traffic signal at the intersection of NW 97 Avenue at NW 154 Street.

B. Provide location of public infrastructure, including physical address and county of project.

NW 97 Avenue at NW 154 Street within Miami-Dade County, FL

C. Is this infrastructure currently owned by the public?

Yes No

If no, is there a current option to purchase or right of way provided to the County?

D. Provide current property owner.

Miami-Dade County

E. Is this infrastructure for public use or does it predominately benefit the public?

Yes No

F. Will the public infrastructure improvements be for the exclusive benefit of any single company, corporation, or business entity?

Yes No

Improvements will be for the benefit of the public.

G. Provide a detailed description of, and quantitative evidence demonstrating, how the proposed public infrastructure project will promote:

- Economic recovery in specific regions of the state;
- Economic diversification; or
- Economic enhancement of a Targeted Industry ([View Florida's Targeted Industries here.](#))
 - Describe how the project will promote specific job growth. Include the number of jobs that will be retained or created, and in which industry(ies) the new net jobs will be created using the North American Industry Classification System ([NAICS](#)) codes. Where applicable, you may list specific businesses that will retain or create jobs or make capital investment.
 - Provide a detailed explanation of how the public infrastructure improvements will connect to a broader economic development vision for the community and benefit additional current or future businesses.

As a result of increased traffic volumes in the region the proposed signal is an essential improvement to address mobility, access and safety of the surrounding area. The improved roadway operations as a result of the project will support over 12,000 existing and future total jobs in the surrounding geographical area and a gross domestic product of over \$700 million. The Miami-Dade Department of Transportation and Public Works (DTPW) conducted a study that indicated that this signal will benefit roadway users in the area.

2. Additional Information:

(If additional space is needed, attach a word document with your entire answer.)

A. Provide the proposed commencement date and number of days required to complete construction of the public infrastructure project.

Construction is expected to begin September 2024 and the estimated construction duration is 8 months.

B. What permits are necessary for the public infrastructure project?

No permits anticipated

C. Detail whether required permits have been secured, and if not, detail the timeline for securing these permits. Additionally, if any required permits are local permits, will these permits be prioritized?

No permits anticipated

D. What is the future land use and zoning designation on the proposed site of the infrastructure improvements, and will the improvements conform to those uses?

Public right-of-way used for roadway purposes.

E. Will an amendment to the local comprehensive plan or a development order be required on the site of the proposed project or on adjacent property to accommodate the infrastructure and potential current or future job creation opportunities? If yes, please detail the timeline.

Yes No

F. Is the project ready to commence upon grant fund approval and contract execution? If no, please explain.

Yes No

G. Does this project have a local match amount?

Yes No

If yes, please describe the entity providing the match and the amount.

Development contribution is \$75,000.

H. Provide any additional information or attachments to be considered for this proposal. Maps and other supporting documents are encouraged.

Refer to Exhibit A attached
