MEMORANDUM

DATE: July 25, 2013
TO: Regional Workforce Board Executive Directors
FROM: Lois A. Scott, Chief, Bureau of One-Stop and Program Support
SUBJECT: Veterans Performance Incentive Awards

The Jobs for Veterans Act establishes a program to provide performance incentive awards to recognize One-Stop Career Centers that provide excellent employment services to veterans. The Act stipulates that one percent of a State's total grant allocation (\$114,000) shall be used for this purpose. The purpose of this memorandum is to announce the Veteran Incentive Award Program to reward performance during the program year that ended June 30, 2013. The incentive awards are intended to encourage the improvement of employment, training, and placement services for veterans and recognize workforce development partners for excellence or demonstrated improvements in the provision of services to veterans.

As previously approved by the Veterans Workgroup that includes representation from the Department, Workforce Florida, Inc., and the regional workforce boards and incorporated in the approved Veterans State Plan, the following criteria will be used:

- There will be three size categories (small, medium, and large) of regional workforce boards
- There will be only one award (\$38,000) for each size category
- Each regional workforce board will be limited to one written nomination (form attached)

Nominations must be submitted to the Department of Economic Opportunity (DEO) no later than August 16th to be considered for an award. Overall, the nomination must demonstrate that a local office provided exemplary services to veterans that are beyond the requirement of the grant to serve veterans. Additional information on the incentive grant program is included in the attached program guidelines.
