

Applying for Pandemic Emergency Unemployment Compensation (PEUC)

Administered by the Florida Department of Economic Opportunity

What is Pandemic Emergency Unemployment Compensation?

Pandemic Emergency Unemployment Compensation (PEUC) is a federal CARES Act program administered by the Florida Department of Economic Opportunity (DEO) that allows up to an additional 13 weeks of unemployment benefits to the end of state Reemployment Assistance benefits. This means, eligible claimants may collect unemployment benefits for a longer period of time than under normal circumstances. PEUC will provide individuals with **up to** \$275 per week in benefits in addition to the \$600 through Federal Pandemic Unemployment Compensation (FPUC), in weekly benefits. The additional \$600 through FPUC applies only to weeks of unemployment beginning March 29, 2020 and ends with the week ending July 25, 2020.

Eligibility Requirements

You may be eligible for PEUC if:

- The balance of your current Reemployment Assistance claim is expired or exhausted and you are still unemployed.
- You have a Reemployment Assistance claim that expired after July 1, 2019.

Reminder

You must complete an application for state Reemployment Assistance benefits before applying for PEUC. Your Reemployment Assistance claim will then be determined for eligibility. If your state Reemployment Assistance benefits have been exhausted, you will then be prompted to file a PEUC application in CONNECT for up to an additional 13 weeks of unemployment benefits.

All claimants participating in PEUC will still be required to claim weeks on a biweekly basis certifying that they remain unemployed and are able and available for work during the weeks they are receiving PEUC. The first week a claimant can be eligible for this benefit is the week beginning March 29, 2020, and the last payable week is the week ending December 26, 2020.

How to Apply

1. After you receive the invitation to apply for PEUC, log-in to CONNECT.
2. On the left side click the link 'Apply for PEUC Benefits' hyperlink.
3. Complete the responses in the PEUC – Initial Questions section at the top of the screen.
4. Click the checkboxes for Payment Information, Tax Withholding Information and the Certifications at the bottom of the screen and click Submit.
5. The application has been submitted.

Remember: You will need to check back in CONNECT regularly to respond to any requests for additional information. You will need to log-in to CONNECT every two weeks to request your benefits.

If your most recent claim is expired, you may need to complete a state Reemployment Assistance Application prior to receiving the PEUC link.
