

MODIFICATIONS TO
WORKFORCE FLORIDA, INC. CONTRACTING POLICY

BACKGROUND:

The following policy was established in accordance with proviso language for Specific Appropriation 2214 of the 2010 General Appropriations Act and the 2010 Appropriations Implementation Bill and continues in accordance with Specific Appropriation 2006 of the 2011 General Appropriations Act.

The proviso language for Specific Appropriation 2006 prohibits the use of state or federal funds by a regional workforce board “for any contract exceeding \$25,000 between a regional workforce board and a member of that board that has any relationship with the contracting vendor, unless the contract has been reviewed by the Agency for Workforce Innovation and Workforce Florida, Inc.” The proviso language is incorporated into and made a part of this policy.

POLICY:

I) Definitions.

For the purposes of this policy, the following definitions apply:

- a) “Board” means one of Florida’s twenty-four regional workforce boards or Workforce Florida, Inc.
- b) “Contract” means a written agreement funded by state or federal funds, to which a regional workforce board or Workforce Florida, Inc. (“WFI”) is one of the parties. It includes the initial contract and all amendments, renewals or extensions. For purposes of this policy, “contract” includes the proposed contract. This term does not include:
 - i) retail purchases for which no written contract is executed; and
 - ii) the purchase of utility services for use by a board.
 - iii) staff employment contracts (other than contracts with members of the board or relatives of board members)
 - iv) membership fees and sponsorships to professional organizations
- c) “Entire board” means the complete membership of the board at the time a contract is submitted to a vote. It includes the board member who has a relationship with the contracting vendor and who therefore must abstain on the vote on the contract. Membership of the board includes non-voting members.
- d) “Quorum” means that minimum number of members of the board required to be present in order for the board to transact business as established by the board’s bylaws (or, in the absence of bylaws, as has otherwise been established by the board.)
- e) “When a quorum has been established” means the contemporaneous meeting of a sufficient number of members to constitute a quorum, in person and/or through accepted electronic means.

- f) “has any relationship with the contracting vendor” means the member is an owner or a principal of the vendor, or a principal of the vendor has retained the member, or the parent organization or subsidiary of a corporate principal of the vendor has retained the member or a member’s known relative or member’s business associate is an owner of the vendor. For purposes of this policy, vendor, contractor and subrecipient are the same.
- g) “benefit financially from a contract” means the special private financial gain to a member, a special private financial gain to any principal which retains the member, the special private financial gain of the parent organization or subsidiary of a corporate principal which retains the member or the special private financial gain to any member’s relative or business associate or to a board employee and such benefit is not remote or speculative. “Personally benefit financially” means a special private financial gain to a member only.
- h) “Owner” means any ownership interest in a privately owned contracting entity or a majority interest in a publicly held contracting entity.
- i) “Principal of a contractor” means an owner or high level management employee with decision making authority.
- j) “Relative” means father, mother, son, daughter, husband, wife, brother, sister, father-in-law, mother-in-law, son-in-law, or daughter-in-law. § 112.3143(1)(b), Fla. Stat.
- k) “Utility services” include telephone, cable, electricity, water, gas, waste and sewage services and other similar services.
- l) “federal, state or other governmental workforce programs” means Incumbent Worker Training (s. 445.003(3)(a)(3), F.S.), Quick Response Training (s. 288.047, F.S.), Employed Worker Training, On the Job Training, customized training and other One-Stop training provider services.

II) Prohibition Against A Board Contracting With Its Board Member

No workforce board (Workforce Florida, Inc. or a regional workforce board) shall enter into a contract with one of its own board members, with an organization represented by its own board member or with any entity where a board member has any relationship with the contracting vendor.

At a board’s discretion, the following may be exempted from the above paragraph:

- a) A contract with an agency (as defined in s. 112.312(2), including, but not limited to, those statutorily required to be board members) when said agency is represented by a board member and said member does not personally benefit financially from such contracts;
- b) A contract with a board member or a vendor (when a board member has any relationship with the contracting vendor) when the contract relates to the member’s appointment to the board under Pub. L. No. 105-220, (“Workforce Investment Act”) Title I, s. 117(b)(2)(A)(vi) [“representatives of the one-stop partners”].

- c) A contract with a member receiving a grant for workforce services under federal, state or other governmental workforce programs.
- d) A contract between a board and a board member which is not exempted under paragraphs II(a), II(b) or II(c) where the board documents exceptional circumstances and/or need and the board member does not personally benefit financially from the contract. Based upon criteria developed by WFI, AWI shall review the board's documentation and assure compliance.

Each contract which is exempted from the general prohibition in paragraph II must meet the requirements set forth in paragraph III below, including, but not limited to, the requirements of the Workforce Investment Act of 1998 "conflict of interest" provisions. However, since the proviso language for Specific Appropriation 2006 requires WFI to perform the review and approval process pertaining to regional workforce board contracts, WFI contracts shall not be subject those provisions of this policy pertaining to review and approval processes.

III) Requirements of Section 445.007.

A board must comply with all requirements of section 445.007 prior to contracting with a board member or other person or entity who could benefit financially from a contract (as defined in paragraph I(g) above). These requirements are:

- a) All contracts between the board and a board member or other person or entity who may benefit financially from a contract (as defined in paragraph I(g) above) must be approved by a two-thirds vote of the board when a quorum has been established and the approval of such contracts shall not be delegated to staff or committees.
- b) The fact that a board member or other person or entity could benefit financially from the contract (as defined in paragraph I(g) above) must be disclosed in the meeting, and made part of the minutes of the meeting before the vote is taken. The board member's absence from the meeting does not relieve the board from the disclosure and 2/3 vote requirements. All other known conflicts must be disclosed before the vote. If a board member discovers a conflict of interest after the vote, then the conflict must be disclosed in a procedure consistent with s. 112.3143(4)(b). Board members who could benefit financially from the contract or who have any relationship with the contracting vendor (as defined in paragraph I(f) above) must abstain from voting on the contract. A board member's designee cannot vote in the place of a board member who is required to abstain.
- c) Board contracts equal to or greater than \$25,000 shall not be executed prior to the written approval of WFI.
- d) The board must submit all contracts equal to or greater than \$25,000 with board members or other persons or entities who could benefit financially from the contract to the Agency for Workforce Innovation ("AWI") along with documentation, as specified by this policy, demonstrating compliance with section 445.007.
- e) Contracts under \$25,000 with a board member or other persons or entities who could benefit financially from the contract (as defined in paragraph I(g) above) must be

- approved by a two-thirds vote of the board when a quorum has been established and meet the other requirements of s. 445.007, but are exempt from the AWI and WFI's review and recommendation process and do not need to be reported..
- f) Contracts with a board member or other persons or entities who could benefit financially from the contract (as defined in paragraph I(g) above) in which the board is receiving monies or other compensation (such as a board member paying rent to the board or paying for board services) are exempt from this policy.
 - g) The term "contract" includes the initial contract and all amendments, renewals, or extensions. Renewals or extensions of contracts with a board member or persons or entities who could benefit financially from the contract must be approved under the same procedure as if the renewal or extension were an original contract. Any amendments to a contract which could benefit financially a board member or another person or entity (as defined in paragraph I(g) above) must be approved under the same procedure as if the amendment were an original contract. Any amendments which do not benefit financially a board member or other person or entity (as defined in paragraph I(g) above) may be approved by a regular majority vote where there is a quorum according to board rules and/or bylaws.
 - h) All other requirements of section 445.007(1) must be met. For example, a board member must continue to disclose any conflict of interest in a manner that is consistent with the procedures outlined in s. [112.3143](#).
 - i) In order to comply with the requirements of section 445.007, a board's policy shall advise and require board employees to disclose known conflicts of interest and notify the board of any contracts which may benefit them personally. In order to comply with the requirements of section 445.007, a board's policy shall advise and require all parties to a contract to disclose all known conflicts of interest and notify the board of all board members or other persons or entities known to benefit financially from the contract (as defined in paragraph I(g) above).
 - j) A contract which is initially subject to the requirements of s. 445.007 due to a board member's, an employee's or another person's or an entity's conflicts of interest at the time of approving the contract is not subject to these procedures after the departure of the member from the board membership, the departure of the employee from the board's employ or other actions has removed the conflicts of interest.
 - k) The above requirements do not eliminate or diminish the board's obligations to comply with Section 117(g) of the Workforce Investment Act of 1998 (Public Law 105-220) ("WIA") "Conflict of Interest" procedures.

IV) Review criteria.

- c) Board members who could benefit financially from the contract or board members who have any relationship with the contracting vendor abstained from voting.

V) Required Documentation.

- j) Other information as specified on the contract information form.

AWI and WFI will review this documentation to ensure compliance with the statutory requirements listed in paragraph III above. Failure to timely provide all required documentation or failure to complete the form shall result in immediate disapproval of the contract and require resubmission of documentation and form. AWI will electronically submit in writing to WFI within five (5) business days of receiving all of the required documentation its recommendation whether the statutory requirements were met. WFI will then electronically transmit in writing within three (3) business days after receipt of the AWI's written recommendation its approval or disapproval . The board may not execute the contract until WFI approves the contract.

VI) Request for Review When Contract Approval Is Denied.

A party to the contract may request a review of WFI's disapproval of a contract. Strict compliance with the following procedures is required.

- a) The request for review must be in writing, must state specific grounds for review, and must provide all information required for review of the stated grounds. Failure to state specific grounds may be cause for denial of the request without further review.
- b) The request for review must be received by WFI not later than ten (10) calendar days from the date of WFI's denial and may be submitted electronically to [identify name of electronic mailbox] or by any other means of delivery, i.e. mail service, hand delivery or facsimile. Any request for review that is not received by WFI within this timeframe will be rejected without further consideration.

The Chair of Workforce Florida or its Board of Directors may direct the President to present such reviews to the Executive Committee. No review under this policy will be presented to the WFI Board of Directors unless, at the discretion of the Chair, such full board review is deemed to be necessary.
