## MEMORANDUM

**DATE:** August 2, 2006

**TO:** Regional Workforce Board Executive Directors

**FROM:**  Larry J. McIntyre, SMA II, One-Stop and Program Support

**SUBJECT:** Participation Rate Collaboration

To achieve maximum communication with the Regional Workforce Boards (RWBs) and RWB providers regarding changes in the Welfare Transition (WT) program requirements, the Agency for Workforce Innovation (AWI) started hosting a series of conference calls. The calls have been very successful. The RWBs, regional providers and the Department of Children and Families (DCF) have provided a lot of feedback and questions regarding the various topics.

Below is a schedule of the next series of calls in the WT Collaborative Call Series. We are asking each region to utilize as few telephone lines as possible by having regional staff to congregate in a central location. This will ensure that there is a sufficient number of telephone lines for each region to call in.

Conference Call Topic	Date/Time	Number
Two-Parent Families Participation	August 24, 2006 at 2 P.M.	(850) 487-8587
Trends and Engagement—Statistical Analysis	August 25, 2006 at 10 A.M.	(850) 487-8587

Topics of interest for future WT conference calls should be sent to Erica Mott at [Erica.mott@awi.state.fl.us](mailto:Erica.mott@awi.state.fl.us). For each conference call, an agenda will be distributed in advance with supporting documentation.
