## MEMORANDUM

**DATE:** February 15, 2007

**TO:** Regional Workforce Board Executive Directors

**FROM:**  Lois A. Scott, Program Manager, One Stop and Program Support

**SUBJECT:** Employ Florida Marketplace Wagner-Peyser Services which Commence or Extend Participation

Please share this memorandum with staff and administration working with the Employ Florida Marketplace (EFM) system. This serves as a clarification of the job seeker services which commence or extend participation for reporting purposes as listed in EFM screens "Add A Service" or "Add Multiple Services." The attached Excel spreadsheet provides the listing of services in the One Stop Management Information System (OSMIS) that triggered or extended participation, the listing of the transactions that did not trigger or extend participation, and the listing of correlating services in EFM.

The Agency for Workforce Innovation was given approval by the U.S. Department of Labor (USDOL) to continue the participation generating services that Florida has been using in OSMIS. The state will continue to use the list as it was approved. A few services have been recently added to EFM to better correlate with those in OSMIS. These are 113-Job Search Plan, 114-Staff Assisted Job Search through VOS, and 470-Completed Training-WP/VET. Additionally, the job fair service has been "turned on" as a job seeker service, 112-Job Fair.
